Josephine Mining Corp. Announces Private Placement

Spokane, WA, June 26, 2012 – Josephine Mining Corp. (TSXV: JMC) ("Josephine" or the "Company") today announced that it has initiated a private placement to raise funds for the continued permitting of the Turner Gold project (the "Project") in southwestern Oregon and to acquire additional assets as previously described in the release dated June 11, 2012. The Company plans, subject to regulatory approval, to raise up to \$20 million in a private placement by the issuance of up to 100 million units at \$0.20, with each unit consisting of one common share and half a warrant. Each whole warrant will entitle the holder to subscribe for one common share for \$0.35 for a period of eighteen months.

For further information about the Company, please refer to the Company's filings on SEDAR.

Disclaimer for Forward-Looking Information

This news release contains projections and forward-looking information that involve various risks and uncertainties regarding future events, such as the statements regarding mineralization and assay results. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such statements are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them.

These forward-looking statements reflect management's current views and are based upon certain expectations, estimates and assumptions that may prove to be incorrect. A number of risks and uncertainties could cause our actual results to differ materially from those expressed or implied by the forward-looking statements, such as the current economic conditions and the state of mineral exploration and mineral prices in general. These risks and uncertainties could cause actual results and the Company's plans and objectives to differ materially from those expressed in the forward-looking information. The Company can offer no guarantee that the goals and objectives detailed above will be accomplished, in part or at all.

These forward-looking statements are made as of the date of this news release and, except as required by law, the Company assumes no obligation to update these forward-looking statements, or to update the reasons why actual results differed from those projected in the forward-looking statements. Additional information about these and other assumptions, risks and uncertainties are set out in the "Risks Factors" section in the Annual Information Form of the Company dated April 2, 2012 and available on www.sedar.com.
